

TROOP 220

Summer Camp 2010 at Bear Lake Aquatics Base

This is a BSA run summer camp. Final camp flyer will be posted here in spring 2010.

We leave Sunday afternoon June 27 at 12:30pm and arrive back on July 3 about 3 pm. Cost will be about \$165 but may be adjusted based on our spaghetti dinner earnings.

Everyone needs the new BSA medical form signed by a physician (now, once per year). This is the part A, B and C form. The Class 1, 2 and 3 form is now obsolete and cannot be used. The same form is used for the Jamboree, so Jamboree scouts do not need two.

We reserved 2 beach front campsites: New Haven and Daytona Beach campsites.

Special Activities:

Overnight canoe outpost, waterskiing, catamaran sailing, small boat sailing
Discover SCUBA introductory program, PADI open water SCUBA certification
Climbing and rappelling at the Paris ice caves, Mile Swim

As a bonus, Troop 220 may offer the motorboating MB at camp if there is enough interest by scouts and a small motorboat can be brought by an adult or reasonably rented.

Merit badge sign-ups will begin in March 2010 so please commit to going by then so you can get the merit badges you want. Classes may be full by the time camp comes around, so don't wait until June to register for camp and merit badges.

We are going to summer camp this particular week for two reasons: (1. so all scouts going to the National Jamboree can attend this summer camp and still have 2 weeks of down-time before the Jamboree, and (2. scouts age 14+ can attend the Big Event on June 16-19. This is an inexpensive mini-camp with over 50 activities for older scouts. It's a blast! This could be your best summer of scouting ever. Plan other events accordingly!

We hope you will join us for all of our summer 2010 events!
